

Chaffcombe Village Hall

Chaffcombe Village Hall Committee manages the hall for the benefit of the local community. We would like to hear from any willing volunteers who would like to join us and "get involved."

In early April, the annual election will be taking place for up to 5 Trustees, who form part of the team who manage the Hall. Those elected will have the opportunity to contribute towards making Chaffcombe Parish an even better place to live.

For more information about becoming an elected Trustee contact any of Stan Robinson (01460 239121) Mike Miles (01460 239012)
